

## Statement on Jatropha

October 9, 2012

To Our Valued Customers:

K-Tube Technologies manufactures products from stainless steel alloys which are free from Jatropha and the oils, glycerins, and proteins made from it. All current drawing lubricants used on our products are also free of Jatropha and its by-products.

If you have any questions, please feel free to contact me.

Respectfully Submitted,  
Rocky Giddens
