

Persistent Organic Pollutants Statement of Compliance

August 26, 2020

To Our Valued Customers:

K-Tube Technologies is a manufacturer and distributor of laser welded tubing, and does not melt or produce any of the raw materials used in our products. Our products do not contain the Persistent Organic Pollutants listed in the Stockholm Convention, the Aarhus Protocol, or the POPs Regulation EU 2019/1021.

K-Tube Technologies does not knowingly add or expose raw materials to any of the substances currently listed the regulations above, and works to remain compliant with the POP rules outlined in the standards.

If you have any questions, please feel free to contact me.

Respectfully Submitted,

Rocky Giddens
